LETTER

Sir:

On November 16, 2004 Applicants submitted a "Petition to Revive Abandoned Application Under 37 C.F.R. 1.137(b)" to revive the subject application which was abandoned unintentionally through failure to comply with 37 C.F.R. 1.114 by filing an improper RCE.

On April 15, 2005, a decision to dismiss the above petition was issued (copy attached). The petition was dismissed for failure to include payment of the issue fee and publication fee in the subject application.

On April 25, 2005, the undersigned attorney discussed the petition with Edward J. Tannouse who dismissed the petition. Mr. Tannouse indicated that the petition should be resubmitted with the issue fee and publication fee.

Attached is the Petition as originally submitted. In addition, authorization to charge Deposit Account No. 19-3880 for the issue fee and publication fee for a total of \$1,600 is enclosed herewith.

It is submitted that inasmuch as the petition fee of \$1,370 was already charged to Applicants' Deposit Account No. 19-3880, the petition fee need not be paid again.

Please note that although Applicants have authorized payment of the issue fee, the subject application should not be allowed to issue and that the application should be abandoned in favor of the RCE previously submitted and which is now in compliance with the 37 C.F.R. 1.114.

In view of the above, it is respectfully requested that a favorable decision on the instant petition be granted.

Respectfully submitted,

ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b),
filed November 18, 2004, to revive the above-identified
application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be
submitted within TWO (2) MONTHS from the mail date of this
decision. Extensions of time under 37 CFR 1.136(a) are permitted.
The reconsideration request should include a cover letter
entitled "Renewed Petition under 37 CFR 1.137(b)."

This application became abandoned for failure to timely pay the
issue fee and publication fee, if applicable, on or before May
12, 2003. Accordingly, this application became abandoned on May
13, 2003.

Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now
provide that where the delay in reply was unintentional, a
petition may be filed to revive an abandoned application pursuant
to 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR
1.137(b) must be accompanied by:

- (1) the required reply, unless previously filed.
In a nonprovisional application abandoned for
failure to prosecute, the required reply may be met
by the filing of a continuing application. In an
application, abandoned or lapsed for failure to pay

the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(d).

The instant petition does not satisfy requirement (1) above.

Please note MPEP 706.07(h):

A. Treatment of Improper RCE

If one or more conditions for filing an RCE have not been satisfied, applicant will be so notified. Generally, a "Notice of Improper Request for Continued Examination (RCE)," Form PTO-2051, will be mailed to applicant. An improper RCE will not operate to toll the running of any time period set in the previous Office action for reply to avoid abandonment of the application. (Emphasis added).

As such, the \$1400.00 issue fee and \$300.00 publication must be submitted in order to revive the above-identified application. Neither fee has been submitted, nor is an authorization to change said fees found with the instant petition.

Accordingly, the petition must be dismissed.

PETITION TO REVIVE

ABANDONED APPLICATION UNDER 37 C.F.R. 1.137(b)

Sir:

Petitioner, Bristol-Myers Squibb Company, owner of the subject application via an Assignment recorded on December 14, 1999 on Reel 010463 and Frame 0160, respectfully petitions the Commissioner to revive the subject application which was abandoned unintentionally through failure to comply with 37 C.F.R. 1.114 by filing an improper Request for Continued Examination (RCE) under 37 C.F.R. 1.114.

Under 37 C.F.R. 1.114 a request for continued examination of the application must be accompanied by a submission and the fee set forth in §1.17(e)(2) prior to abandonment of the application. The submission may be an information disclosure statement.

In fact, after a Notice of Allowance mailed February 11, 2003 (Exhibit A) was received in the subject application, instead of paying the issue fee by the May 11, 2003 due date, Applicant filed a Request for Continued Examination (RCE) on May 9, 2003, a copy of which is attached (Exhibit B). However, Applicant failed to file the required Submission under 37 C.F.R. 1.114 with the Request.

It was not until May 28, 2004 that Applicant filed a Supplemental Information Disclosure Statement (copy enclosed, Exhibit C) which would have qualified as a Submission if filed before the subject application was abandoned. On August 30, 2004, Applicant filed yet a second Supplemental Information Disclosure Statement (copy enclosed, Exhibit D).

On October 4, 2004, Applicant received a "Notice of Improper Request For Continued Examination (RCE)", copy of which is attached (Exhibit E) wherein in paragraph 7 thereof it is indicated that the request was not accompanied by the required submission, as signed by Ms. F. Patterson. It was not until receipt of this "Notice" that Applicant's attorney was aware that the RCE filed on May 4, 2003 was improper.

In the past month, the undersigned attorney of record has been in contact with Examiner Rebecca Cook, Ms. F. Patterson, Ms. Brenda Gray, Ms. Margaret Stevens and Ms. Rene Jones of the U.S. Patent and Trademark Office in an effort to determine what had to be done to correct the deficiency in the RCE and/or otherwise revive the subject application.

On November 1, 2004, the undersigned attorney spoke with Ms. Margaret Stevens who informed him that the application would have to be revived.

- (1) This Petition will serve as a reply to the "Notice".
- (2) The Commissioner is hereby authorized to charge Deposit Account No. 19-3880 in the name of Bristol-Myers Squibb Company in the amount of \$1,370.00, the petition fee as set forth in §1.117(m) for filing a petition for the revival of an unintentionally abandoned application.
- (3) The entire delay in filing the required submission with the RCE from the due date for the reply (August 12, 2003 - the due date for filing the issue fee based on the May 12, 2003 Notice of Allowance or for filing an RCE) until the filing of the present Petition was unintentional. As indicated, Applicants' attorney was unaware of the deficiency in the RCE filed on May 9, 2003 until received the Notice on October 4, 2004.

In view of the above, it is respectfully requested that this petition to revive this application be granted and that the RCE be reinstated. The required Submission has been previously filed on May 28, 2004, with the filing of a Supplemental Information Disclosure Statement.

Respectfully submitted,

DATE MAILED:

NOTICE OF IMPROPER REQUEST FOR CONTINUED EXAMINATION (RCE)

The request for continued examination (RCE) under 37 CFR 1.114 filed on May 12, 2003 is improper for reason(s) indicated below:

- ☐ 1. Continued examination under 37 CFR 1.114 does not apply to an application for a design patent. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b) or a CPA under 37 CFR 1.53(d). An RCE cannot be treated as a CPA.
- ☐ 2. Continued examination under 37 CFR 1.114 does not apply to an application that was filed before June 8, 1995. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b).
- ☐ 3. Continued examination under 37 CFR 1.114 does not apply to an application unless prosecution in the application is closed. If the RCE was accompanied by a reply to a non-final Office action, the reply will be entered and considered under 37 CFR 1.111. If the RCE was not accompanied by a reply, the time period set forth in the last Office action continues to run from the mailing date of that action.
- ☐ 4. The request was not filed before payment of the issue fee, and no petition under 37 CFR 1.313 was granted. If this application has not yet issued as a patent, applicant may wish to consider filing either a petition under 37 CFR 1.313 to withdraw this application from issue, or a continuing application under 37 CFR 1.53(b).
- ☐ 5. The request was not filed before abandonment of the application. The application was abandoned, or proceedings terminated on _____. Applicant may wish to consider filing a petition under 37 CFR 1.137 to revive this abandoned application.
- ☒ 6. The request was not accompanied by the fee set forth in 37 CFR 1.17(e) as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.
- ☒ 7. The request was not accompanied by a submission as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.

Note: A continued prosecution application (CPA) under 37 CFR 1.53(d) cannot be filed in a utility or plant application. A CPA filed in a utility or plant application that has a filing date on or after June 8, 1995 will be treated as an RCE under 37 CFR 1.114. The request for a CPA in the instant application, however, has been treated as an improper RCE for the reason(s) indicated above.

A copy of this notice MUST be returned with any reply.
